

Summer 2022

Hi ACH 6th Grader,

I hope your summer is going well. I'm looking forward to being one of your teachers this year.

Some of you may be eager to get your back to school shopping done. We will be supplying most of what you need, but here is a list of things you will need to bring.

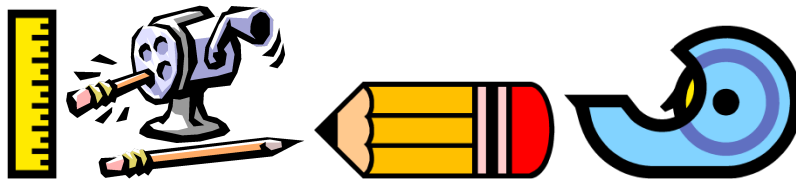

Necessary Items:

___ **Water Bottle** (the kind with a screw-on lid) we fill these daily instead of using the drinking fountain. Feel free to freeze a water bottle to send on those hot days.

___ **P.E. Shoes**- (no black bottoms)

___ **deodorant**

There you have it! I hope you enjoy the rest of the summer. I look forward to seeing you at the end of August. Please contact me if you have any questions.
