School Supplies

- Backpack
- PE shoes - to be kept at school
- Water bottle
- Change of Clothes - With a full day of school and young students, accidents are bound to happen. For that reason, I also ask that you provide an extra set of underwear, pants, and socks stored in a Zip Lock bag and labeled with your child's name. This will be kept in the classroom for emergencies. This will provide your child with a fresh change of clothes and save you a trip to the school!

Extra Suggestions

- Sandals or Open Shoes - The temperatures at the beginning and end of the school year are quite hot! There are often complaints of hot feet and students wanting to take their shoes off. Consider sending an extra set of breathable sandals for your student to change into!
- Hand lotion – with a lot of sanitizing and hand washing, hands might become dry
- Lip balm
